

SC FWB Update, Vol. 5, No. 39, Wednesday, October 26, 2011

OPENING REMARKS:

VOLUNTEER WORKERS and STAFF SCREENING - We encourage each church to place all staff and volunteer workers through a screening process and background checks, especially those working with children. Doing this provides a standard of excellence whereby we are providing an atmosphere in which parents can bring their children to church and know that the best care is being provided for their child. We now have a "Screening Information" page on our website that will help churches through this process. Some insurance companies are already requiring this for the purpose of insurance coverage. Feel free to click on the following link for further details: http://www.scfwb.com/screening_workers.html.

CHILDREN'S HOME DAY - Our SC FWB Home for Children will be celebrating their "Annual Children's Home Day" on Saturday, November 5, 2011 at the SC FWB Home for Children located on Hwy 378 in Turbeville. Tours begin at 9 AM. The worship service with special singing and preaching will begin at 10:30 AM. State Moderator Reverend Sherwood Lee will be the guest speaker. Lunch will be provided for everyone in attendance. A special offering for the Children's Home will be received the day of the event. Everyone is invited to attend.

COUPLES RETREAT - Regarding last week's email update announcement about the "Myrtle Beach Couples' Retreat," for all who pay in full by December 20, 2011, their names will be entered into a Grand Prize Drawing of \$100 off the next year's retreat. CLOSING REMARKS: "Kindness Returned"

Herman Brown went into business in 1909, building roads in the Texas Hill Country. He worked hard and faithfully, becoming a foreman and then a contractor. Political patronage and legal connections brought him a road-building contract. Having borrowed to the limit to finance a project, he found himself broke when rains made further work impossible. He couldn't even afford feed for his mules. At that point a local merchant gave him feed on credit. Years later when Brown was a successful contractor, he heard that the merchant had gone broke in the Depression and lived in poverty. Within a few days the old man received a check in the mail big enough to erase money worries for the rest of his life. His kindness had been remembered.

We never know when a kindness shown will become a kindness returned. Given the vagaries of life, any of us could someday be the object, not the origin, of the generosity we now express. Those who faithfully help others in their distress seldom lack help in their own.*
