CLOSING REMARKS: "Greatest Need"

If our greatest need had been information, God would have sent us an educator;
If our greatest need had been technology, God would have sent us a scientist;
If our greatest need had been money, God would have sent us an economist;
If our greatest need had been pleasure, God would have sent us an entertainer;
But our greatest need was forgiveness, so God sent us a Savior.

In December 1903, after many attempts, the Wright brothers were successful in getting their "flying machine" off the ground. Thrilled, they telegraphed this message to their sister Katherine: "We have actually flown 120 feet. Will be home for Christmas." Katherine hurried to the editor of the local newspaper and showed him the message. He glanced at it and said, "How nice. The boys will be home for Christmas." He totally missed the big news—man had flown! In the midst of this busy season, may we not miss the most important part of the message, Jesus Christ came to "seek and to save that which was lost" (Luke 19:10).
