

**TWO GREAT SERVANTS
GONE ON TO BE WITH THE LORD**

Reverend R. Eugene (Gene) Waddell went home to be with the Lord on Sunday, October 21, 2007, following an extended battle with cancer. Waddell served as general director of Free Will Baptist Foreign Missions for 12 years (April 1986-December 1998). During his tenure Foreign Missions began ministering in Russia, Mongolia, China, and Central Asia. Under his leadership contact with Cuba was reinstated, 64

missionaries were appointed, overseas church attendance almost doubled, and the TEAM summer missions program for high school students was initiated. In addition to his time as general director, Waddell served as associate director for five years (1981-1986) and completed over 20 years (1959-1981) as an active member on the Board of Free Will Baptist Foreign Missions. Following his December 31, 1998, retirement, he served as Minister of Care and pastor emeritus at Cofer's Chapel FWB Church in Nashville, Tennessee. Waddell leaves behind an impressive legacy of faith, love, resilience, passion for reaching unreached peoples, integrity, compassion, mediation, vision, and servanthood.

Carolyn Adams, much loved wife, mother, grandmother, and friend to everyone with whom she came in contact, went to be with the Lord on November 10, 2007, after a long battle with cancer. Married to Dr. Richard Adams in January 1959, she spent the next 48 years being a model helper to her husband, mother to her family, and serving the Lord in ministry from the parsonage to the past 17 years as a vital part of the Home

Missions family in Nashville, Tennessee. Mrs. Adams was a talented singer and continually served the Lord through her music across the denomination. Many lives have been touched through her ministry in music, in comfort, and in planting the seed of salvation. Carolyn loved the Lord, her family, and Free Will Baptists. She spent her life encouraging and ministering to many through her sweet attitude, humble heart, and love for the Lord. Her presence will be greatly missed.

**FWB INTERNATIONAL MISSIONS TO
HOST LUNCHEONS**

The FWBIM Board is scheduled to adopt a structure for the new funding system in April 2008. In preparation for that meeting, the staff is arranging meetings in several states to communicate with pastors and leaders.

General Director James Forlines and other directors will present the current direction of the Mission concerning the structure of the new plan. They will listen to concerns, answer questions, and receive input from those who attend the meetings. This is your opportunity to be involved. Two meetings will be held in South Carolina:

- 1) East side of the state - Peace FWB Church, Florence, on January 11, 2008, at 12 noon
 - 2) West side of the state - Parkway FWB Church, Boiling Springs, on January 12, 2008, at 12 noon.
- Lunch will be provided, so reservations are requested. Please RSVP to April Bybee in the Mission office (april@fwbgo.com or toll-free 1-877-767-7736).

On November 13, 2007, FWB International Missions reached a historic milestone. Contributions to the World Missions Offering (WMO) topped \$500,000 which was the 2007 offering goal. This year, 492 churches and women's groups participated in the World Missions Offering (WMO), including the Change the World coin bank project (a component of the WMO). These donations, along with the gifts of many individuals, pushed the WMO over the \$500,000 goal!

GILEAD CELEBRATES 150 YEARS

Gilead FWB Church celebrated their 150th year at their recent Homecoming-Old Fashioned Day. The Rev. Harry Cooper, a former pastor who has been faithful to the call for over 30 years, brought a dynamic message from Ruth 1:20-22 entitled "The Four Looks" applying the scripture to looking back, looking inward, looking outward, and looking upward. Rev. Cooper concluded his message with a celebration of looking in all these directions, as well as present and future directions. The worship service was followed by a wonderful homecoming meal in the beautifully decorated family life center. There were several items of Gilead's church history on display, including the old clerk's desk, old record book, listings of past and present preachers, deacons, and a brief history of land acquisitions and buildings. While the attendees enjoyed a great meal and fellowship, they were treated to music by The Singing Gospel Carriers from Mullins-Marion. Rev. Larry McAlister has been faithfully serving for many years at Gilead, and the church has seen great growth in his years of pastorate.

WESTSIDE HONORS PASTOR WITH \$1,000.00 SHIRT

Pastor Theron and Camille Scott with \$1,000 shirt given by church

On Sunday, November 4, 2007, Westside Free Will Baptist Church in Johnsonville celebrated their annual Homecoming. The morning started out with Rev. Van Powell teaching a wonderful Sunday school lesson in the senior adult class. Sunday school was followed by the morning worship service, in which Executive Secretary Todd Smith shared the morning message. After the morning worship service, a delicious meal was enjoyed by everyone in the family life center. Also, on the previous Sunday, Westside Church surprised their pastor with a pastor appreciation gift. The gift was a shirt worth \$1,000.00. The shirt was made of money and was made by an individual in the church. It was a pleasant surprise for Pastor Theron Scott and Camille, who have been serving at Westside Church for 20 years.

On Saturday and Sunday, October 21-22, 2007, Mt. Elon Free Will Baptist Church in Pamplico, SC, celebrated its 140th anniversary. The weekend started out on Saturday with a "Pic Fest," in which the church had a pig-picking, had picture time, heard some picking and grinning music, and honored Dr. Robert Picirilli. Pastor Mark Leonard put together a history of the church that reflected over the past 140 years. The Sunday service included a message by Dr. Picirilli and was followed by a delicious meal. Pastor Mark was able to present Dr. Picirilli with letters of commendation from President George W. Bush and also current South Carolina Governor Mark Sanford. On December 31, 1867, Joseph S. Gibbs gave an acre of land so that Mt. Elon Free Will Baptist Church could be built. Over the past 140 years, God has provided a rich history for Mt. Elon Church as they continue serving the Lord. Pastor Mark said the "Pic-fest" was "Picture Perfect."

CHILDREN'S HOME BENEFITS FROM BAY BRANCH AND BETHANY'S OUTREACH

Two Timmonsville churches take on a friendly challenge to increase their church attendance. Bay Branch Free Will Baptist Church with Pastor John Driggers challenged Beulah Free Will Baptist Church with Pastor Earl Hanna to see who could increase their average attendance over the course of several weeks. Both churches worked hard during the month of September. Both churches had over 100 visitors during the course of the challenge. Bethany church had over 60 visitors on one particular Sunday. However, though both worked very hard, only one could be the winner, and Bay Branch Church won the friendly challenge by a small margin. Both churches enjoyed having a good number of visitors. The churches agreed that the winner would do something for someone else on behalf of the other if their church won. Bethany Free Will Baptist Church presented \$1,000.00 to the Children's Home to go toward the debt retirement!

TABERNACLE, COWARD ENJOYS NEW FAMILY LIFE CENTER ON FRIENDS AND FAMILY DAY

On Sunday, October 28, 2007, Tabernacle FWB Church in Coward, SC, invited many people for "Friends and Family Day." Pastor Danny Stone indicated that the church has been sacrificially giving over the past several months in order to see the completion of their new family life center. Although the family life center was not quite completed, the church was able to enjoy the use of the building for the noon meal on that Sunday. During the worship service on Friends and Family Day, Calvin and Mary Groom and Pastor Danny Stone sang a special, and Page Groom provided special music as well. Executive Secretary Todd Smith brought the morning message. Rev. Danny Stone and wife Angie have been serving at Tabernacle for almost 5 years and are doing a tremendous job. EVERGREEN, CONWAY ORDAINS TWO DEACONS

Deacon Ordination service was held at Evergreen Free Will Baptist Church in Conway on Sunday, October 28, 2007. Steven Martin and Tony Jordan were ordained as deacons on this special day. Pastor Rickey Evans preached the morning message, and retired minister L.G. Haselden prayed the prayer of dedication as the deacons and their wives knelt at the altar. Pastor Evans presented Steven and Tony with a new Bible from the church. Rev. Haselden is the grandfather of Steven Martin and a dear friend of Tony Jordan. He performed marriage ceremonies for Steven and his wife Michelle as well as for Tony and his wife Wendy several years ago. Both couples are natives of Conway and are active members at Evergreen Church. Steven and Michelle have two children, Stevie and Jacob, and this couple also works with the youth program in the church. Tony and Wendy have two children, Justin and Brooke. Tony's deceased grandfather Norton Brown and Wendy's deceased grandfather J.L. Holt were both former deacons at Evergreen FWB Church. Tony feels that it is an honor to follow in his grandfather's footsteps. Please pray for Steven and Tony as they serve the Lord and their church as deacons.

GREETINGS FROM THE JOHNSON FAMILY

We are at the end of our third term here in Spain. Each term has gotten more exciting! Since we were last in the states, we have been working in Alpedrete to plant a church and ministering through the Outreach Center. This endeavor has definitely had its ups and downs, but we are happy to

say that over 3,500 visits have been made to our Outreach Center and church. Of these, over 1000 have been unbelievers. This means that we've had over 1000 chances to show the love of Christ through story hours, crafts, conversation times in English, etc. We're celebrating our two-year anniversary of the Outreach Center in December. We were thrilled to be interviewed recently by a local magazine. Over 5000 copies of the magazine will soon be distributed throughout our pueblo, and everyone will have a chance to hear more about the very first evangelical church ever in Alpedrete. On December 22, we will board a plane headed to the states. Our kids will experience a Christmas in America, complete with candy canes, playing with cousins, and special Christmas programs at church. Kristi will be doing some after-Christmas shopping, and Tim will be watching the New Year's Day Bowl games and hoping for snow while we are in Michigan. We will then get to see many of you as we travel to your churches and speak in various meetings. Merry Christmas! ¡Feliz Navidad!

Tim, Kristi, Alejandro, and Ana Johnson

“FWBBC On the Move” By Jack Williams

Free Will Baptist Bible College began its 65th year of operation this fall by enrolling 324 students from 25 states and two foreign countries. Thirteen of those students are from South Carolina, including Student Body vice president Hannah Postlewaite, a junior English major from Florence. Since opening in 1942, more than 6,000 FWBBC alumni have entered the denominational workforce as pastors, missionaries, local church leaders, teachers, military chaplains, and more. The regionally accredited four-year college offers more than 40 majors ranging from traditional pastoral ministry, missions, Christian

education and music to business, exercise science, teacher education, psychology, history, and others. FWBBC offers seven degrees: Bachelor of Arts, Bachelor of Science, Bachelor of Music Education, Associate of Arts, Associate of Christian Ministries, Associate of Science in Business, and Associate of Science in Early Childhood, as well as online learning, international studies, and adult education. Because of the growing need in the health sciences field, FWBBC is launching pre-nursing, biology education, and biology degrees. A nursing program with a local university began this fall, and FWBBC plans to begin granting the Bachelor of Science in Nursing degree in 2009. The Bachelor of Science in General Science degree is also underway this fall. Beginning in the fall of 2009, students will be accepted into the Bachelor of Science in Biology degree program. Plans to sell the Nashville campus, purchase a larger campus site, and build a new campus continue to move forward. President Matt Pinson said, “We are serious about growth. We are serious about expanding our programs of study. We are serious about long-term solutions. We are serious about relocation. But we’re also serious about being patient and waiting on God.” Be sure to mark March 27-29, 2008, on your calendar for “Welcome Days.”

“139 ENROLLED AT SOUTHEASTERN FWB BIBLE COLLEGE” BY JONATHAN BLAKENSHIP

Southeastern Free Will Baptist College, located in Wendell, North Carolina, is celebrating 25 years of training young men and women for full time church-related ministries. Today there are nearly 600 Southeastern alumni around the world. As we enter the year of 2008, historical events continue to happen as Dr. Lorenza Stox (the first employee of the college) assumes the full-time presidency after having pastored for 24 years. Please continue to pray for Southeastern FWB College as we seek God’s leadership with the training of this generation. President Stox is also excited to announce that Bobby Aycock, former foreign missionary to Brazil, will be teaching in our Missions Department beginning in January 2008. The current enrollment for the fall of 2007

is 139 students. Students are represented from 15 states and 2 countries. The top five SC giving churches are as follows: 1) Gilead FWB Church, Lake City, 2) First FWB Church, Florence, 3) Lockhart FWB Church, Union, 4) FWB Bible Church, Darlington, and 5) Southside FWB Church, Darlington. “Get Acquainted Days” is scheduled for March 25-29, 2008, and the annual “Camp Meeting” is scheduled for April 7-9, 2008.

“THE HEART OF GATEWAY CHRISTIAN COLLEGE” BY DR. BRUCE BARNES

Every institution has an atmosphere that characterizes it, and it is no different at Gateway Christian College. Because of its tie to the local church and Pastor Karl Sexton’s desire for world evangelization, the students at GCC reflect that same unique passion and “heart” for the world. It is not a desire to be like the world but it is that of going into the world to make a difference for Christ. The hearts of the students beat for world outreach. A recent illustration of this heart was the Fall Missions Retreat. Held at The Anchorage at Lake Waccamaw in North Carolina, the

Lord moved hearts as students and staff considered what it would be like to share the gospel under times of persecution. Missionary David Sexton brought messages that followed the theme of being persistent in sharing the gospel regardless of the consequences. During a time of reflection and testimony Friday evening, the hearts of the students were revealed as they shared their burden for the lost people of the world. Student after student wept for the lost and the places around the world where no gospel message was present. They spoke of how they wanted to be the ones to help carry that message, even to the hard places. The “heart” of Gateway Christian College is important just as is the studies provided in the classroom because true success in this endeavor will be not merely the educational facts that GCC helps students learn. It will also be the building of a practical philosophy in which to carry that information. A passion for world evangelization and faithfulness in ministry is the philosophy that uniquely harmonizes with the instruction provided for Christian service. This is the “heart” of Gateway Christian College. Pastors are encouraged to attend our Bible Conference scheduled for March 2-5, 2008, and high school students are encouraged to attend “Open House” March 1-3, 2008.

GREETINGS FROM GERARDO RODRIGUEZ

Hispanic missionary Gerardo Rodriguez has been faithfully ministering with his family at the First FWB Church in Una, SC. During the two most recent holidays, Gerardo took the opportunity to share with the Hispanic community about the gospel

and the love of the Lord Jesus Christ. When many in America were celebrating Halloween, the Hispanic Church in Una decided to celebrate with a festivities of lights by providing an opportunity for families to bring their children to the church and share the love of Christ with them. On Thanksgiving Day, the Hispanic Church, celebrated thanksgivings to the Lord with many Hispanics in the community. Testimonies, preaching, and singing were just a few things that were a part of this special day. The people enjoyed tacos, enchiladas, and tamales as a part of their Thanksgiving meal. On behalf of the Hispanic missionaries, thank you for your support and prayers.

SOUTHSIDE, DARLINGTON KINDERGARTEN BY REV. LEROY LOWERY

Motivated by a burden to provide a Christ-centered, safe, and quality environment for pre-school children, Southside Free Will Baptist Church in Darlington, SC, established its Kindergarten School ten years ago this coming January. The school program combines quality child care along with an excellent academic program utilizing the Abeka curriculum. This program is based upon the phonics approach of learning language skills. The day begins with pledges to the American flag, the Christian flag, and the Bible followed by prayer and Bible stories. Also, there is a great emphasis upon rote memorization.

Memorizing scriptures, the alphabet, vowels, consonants, colors, shapes, and numbers fills the day with joyful sounds of learning. Musical involvement also fills the air with both "silly songs" and worship songs. Director and 4K teacher Mrs. Peggy Lowery, along with her staff, have created one of the finest pre-school programs in Darlington and the surrounding communities. It is recognized by parents, public schools teachers, and administrators as an excellent school. The children from Southside score well above average in their testing, and they perform extremely well as they enter public, private, or Christian schools. The school has a maximum capacity of fifty students and is presently maxed out with a long waiting list. God has been good to provide this ministry for the people of Southside Church and the surrounding area.

VENTRILOQUIST VISITS NEW PROSPECT

On Monday, November 26, 2007, New Prospect Christian School in Pamplico, SC, had a special guest in their morning chapel service. Mrs. Judy Smith, previous Free Will Baptist missionary to Japan for 17 years, came with her puppet Kasee to visit the students at New Prospect School.

This was her fifth year coming to visit with the students. For more information on having Judy Smith visit your church, feel free to contact her at the following address: PO Box 1289, Beulaville, NC 28518. Also, her contact number is 910-290-1435.

MASTER'S MEN ASSIST IN RESTORING RIDGE CHURCH

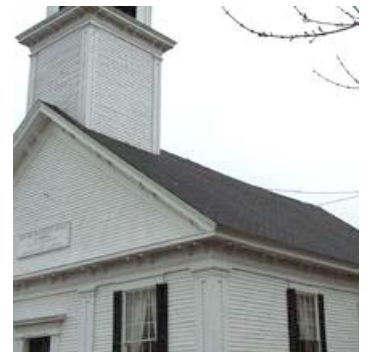

NEARLY 200 YEARS, the Church on the Ridge has stood above the town of New Durham, New Hampshire, as a monument to the early days of Free Will Baptists. The simple frame building, constructed in 1819, was home to the congregation started by Elder Benjamin Randall in 1780. The building is the oldest standing Free Will Baptist church in America. It lies just over a mile from the Randall family cemetery where the founder of the Northern Free Will Baptist movement is buried. Over the years, thousands of Free Will Baptists have visited the historic site to catch a glimpse of their legacy. In recent years, despite consistent maintenance efforts of First FWB Church in New Durham, the building has fallen into disrepair. The affects of time have caught up with the aging landmark. Delegates to the 2007 National Convention in Little Rock, Arkansas, voted to fund efforts to restore the Church on the Ridge and to establish a perpetual fund to provide ongoing upkeep. Master's Men Director Ken Akers will work in conjunction with the church in New Durham to coordinate teams of volunteers to complete the task. If you would like to be a part of volunteering or are able to contribute financially to this wonderful task, feel free to contact Master's Men at 877-767-8039.

SC ANNUAL YOUTH RETREAT

There were a lot of fun things to do at this year's youth retreat in Myrtle Beach which took place in November. Students were able to run around shooting each other in a laser tag arena, race around in go-carts at the NASCAR speed park, and enjoy dinner minus the utensils while watching the performance at the Dixie stampede. All these things were great but we hope that they are not what the students remember the most. We hope they remember the messages about temptation, humility, and other important Biblical truths delivered by our speaker, Gowdy Cannon from Chicago, who is also originally from Horse Branch Free Will Baptist Church in Turbeville, SC. We hope they remember the times where we all joined together to worship God. Having fun is great, but it is not why we have the youth retreat each year. We do it to reach out to students and make an impact in their life and hope to possibly see someone come to know Christ as their Lord and Savior. If your youth group was not involved this year, we hope you will join us next year and be a part of what God is doing in and through our youth.

Tours began at 10 AM, and special singing was provided by the youth at Horse Branch FWB Church. The Children's Home staff, board members, and past and present children were given special recognition during the event. Special music was provided by the Jeff Floyd family. Executive Secretary Todd Smith preached the message for the worship service. The staff served a delicious meal for everyone after the worship service. Rev. Roy Roach, the Children's Home director, announced that the offering for the day was \$20,000! This offering included a special gift of \$12,000 from the Mullins-Marion FWB Church. After this \$20,000 was applied to the debt at the Children's Home, the debt was reduced to less than \$200,000.00. Great gratitude was expressed to Pastor Neil Hinson and the Mullins-Marion Church for their sacrificial giving. Special appreciation was expressed to the many individuals and churches who brought necessary items to help supply the needs of the home.
